From Our Pastor

If you are our guest, thank you for joining us today. We would love to be able to get to know you. Take a moment to register as a guest using the registration card attached to this bulletin. We invite you to bring this completed card to our Information Center. We have a gift waiting for you there.

We are turning to the book of Proverbs today to one of the most beloved words of Scripture. “Trust in the Lord with all your heart, and do not rely on your own understanding; in all your ways know him, and he will make your paths straight.” I don’t know anyone, myself especially, that doesn’t need this reminder this morning.

Are you part of a Sunday School Class? We want every member and every regular attender to be involved in a Sunday School Class. People regularly ask me, “How do I get involved in the church?” My usual answer is “The quickest way is through Sunday School.” In Sunday School, you will be part of. not only Bible Study, but prayer groups, and ministry groups.

Every week, we have a prayer focus as a church. We call this prayer focus **This One Thing**.

This week our This One Thing Prayer is for an increase in the number of evangelistic converts and baptisms. The Bible says in 2 Thessalonians 3:1, “Finally, pray for us, brothers, that the Lord’s message may spread rapidly and be honored, just as it was with you...” Join me this week in praying This One Thing.

I asked our Pastoral Staff to set a personal goal to reach by the end of the year in reaching specific people and seeing those individuals baptized in our church. Our combined goal is 51. Pray for us to this end.

Steve

New Focus On Compassion Ministries Begins Soon

Several years ago, First Baptist members engaged in "Do Something" to determine a vision for the future ministry for our church. Six initiatives were developed, including an increased involvement in compassion ministries in our local community. Since that time, many of us have worked with some of our church's ministry partners to volunteer, donate, or participate in other ways to help impoverished families in the community.

Beginning in September, we will have perhaps the greatest opportunity yet to minister to these needs through a partnership with **Escape From Poverty**. This local organization offers a practical Christian discipleship program targeted to those who are struggling financially and in other areas of life. Through the **Success Series Power Courses**, participants find hope, success, and life transformation within a faith-based environment.

The **Success Series** covers life skills such as budgeting, grocery shopping, dealing with credit issues, writing a resume, job interviews, getting organized, setting goals, dressing for success, health and nutrition, effective communication, and more. Character building is also an important component, and the life of Joseph is studied to provide spiritual insight for life transformation.

First Baptist will host these classes on Wednesday evening beginning in early October, and we need your help. Each participant needs a mentor to offer guidance, friendship, and to build a relationship with them. We need budget counselors to help participants develop workable budgets and review finances with participants. We also need people with skills to teach or assist participants with the various topics mentioned above.

Training for those who would like to be a part of this ministry begins Wednesday, September 12. There will be a table near the Church Library beginning next Sunday with Escape From Poverty representatives who can give you more details and answer questions.

If you are not available on Wednesday evenings but would like to volunteer in compassion ministry, **Escape From Poverty** has numerous other opportunities for both individuals and businesses. You can learn more about these needs at the table next Sunday or by going to www.EscapeFromPoverty.org.
